HYDROCLEAN

All purpose cleaner and degreaser

PROPERTIES

HIGH BIODEGRADABILITY

- Environmentally friendly as rapidly biodegradable.
- Replaces the use of ammonia, acids, silicones, solvents, formaldehyde or other pollutants.
- Odorless, colorless, non-emulsifying.
- Cleans and degreases surfaces without rinsing in a jiffy.
- Saves time and easy application - ideal for the professional.

CHARACTERISTICS:

Liquid product, cleaner and degreaser to 100%. Silicone-free, ready to use. It can be diluted with water on little dirty or questionable surfaces.

APPLICATIONS:

Spray or sprinkle the surface with clean cloth or sponge. If the surface is very dirty allow to soak a few minutes. Then wipe or rinse.

Painters: Completely eliminates dirt on galvanized metal and aluminum, oil, grease. Rinsing is required after application and removal, resulting to a huge timesaver.

Industry: great for cleaning in the industry in general: machinery, engines, boats, tanks, sheet metal, oil industries and service stations, workshops etc..
Degreasing metal parts, aluminum and galvanized prior to painting.

Home use : cleaning windows, mirrors, doors, tables, windows, stainless steel, tin, tiles, frames, lamps, hoods, etc..

Apply the product as in case of stubborn dirt and grease, nicotine or other debris (eg hoods, ovens) and leave on before rinsing. Brushing carpets, cushions and seats by deriving a circular motion, then wipe.

APPLICATIONS:

Bathroom: On mold, yellow bathroom, wash basins. shower heads or tile joints. Saturate the surface with a sponge, let it work and rinse.

Vehicles : bumpers, rims, hubcaps, insects on windows. Allow to soak for a while and scrub.

Pools : removes traces of fats of the fabric while being biodegradable.

Multiple applications: blinds, garden furniture, porous surfaces, partitions, office machines, traces of felt, computer monitors, etc.. Treat and rub lightly with a sponge possibly hard. Ideal for boats and caravans.

PACKAGING:

500 ml – 15 x 500 ml – 1 ltr – 5 ltr – 25 ltr

Note: cancels and supersedes the previous editions. It belongs to our customers to verify, before any implementation, that it is the last edition. The information in this notice are only indicative range and can not replace a proper description of the nature and state of the surface to deal.
